

UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA

GUARDANT HEALTH, INC.,

Plaintiff,

v.

NATERA, INC.,

Defendant.

Case No. 21-cv-04062-EMC (SK)

**ORDER REGARDING MOTIONS TO  
SEAL**

Regarding Docket Nos. 629, 649

Before the Court are two administrative motions to consider whether another party's information should be sealed. Upon reviewing the motions and the accompanying declarations (Dkt. Nos. 639, 659), the Court grants in part and denies in part the administrative motions. Specifically, the Court agrees with the designations in the parties' declarations as to what materials should be sealed, as opposed the broader designations in the motions.

Accordingly, Plaintiff's administrative motion to consider whether another party's material should be sealed (Dkt. No. 629) is granted insofar as the following may be sealed: Exhibit D to the Declaration of Chase Scholnick in Support of Guardant's Motion to Compel Natera's Production of Documents for *In Camera* Review. (Dkt. No. 630.)

Defendant's administrative motion to consider whether another party's material should be sealed (Dkt. No. 649) is granted insofar as the following may be sealed: Page 7, line 6 of Natera's Response, and Exhibit 3 to Natera's Response. (Dkt. No. 650.)
